

## SUZUKI GSR750cc

### Description

Get a grip on a whole new standard. Striking looks. Comfort. Power. Versatility. Our standards deliver easy ergonomics, modern style, and metro muscle in dynamite packages. Whatever type of riding you prefer our standards can handle it.

Developed from the powerplant of the legendary Suzuki GSX-R750, the GSR750 features a 749cc, four-cylinder, fuel-injected DOHC engine resulting in broad powerband with loads of low-end torque and dynamic mid-range power.

### Specifications
